

PRESS RELEASE

Certified Aviation Services Partners with Boeing Global Fleet Care

Ontario, CA August 14, 2017 – Certified Aviation Services LLC, (CAS) is proud to announce the signing of a service agreement with Boeing Global Fleet Care, formerly known as GoldCare. CAS will provide maintenance, repair and overhaul (MRO) services in the U.S. for Boeing’s after-market support system. Under the agreement, CAS will provide scheduled maintenance operations in support of the 737 MAX and 787 Dreamliner.

Michael Stafford, President of Line Maintenance, stated, “It is indeed an honor and a pleasure to be an approved vendor for Boeing’s Global Fleet Services. Boeing has been regarded as the leader in the aviation industry and it is with great pride, that CAS looks forward to a long and meaningful partnership.”

About Certified Aviation Services:

CAS (Certified Aviation Services) is a leading provider of MRO services for fleet operators around the world. Throughout our nationwide network, CAS offers a wide range of aircraft and component repair services that provide our customers innovative, cost-effective solutions when and where they need it. Backed by more than 200 world-class A&P mechanics and 25+ years of service, CAS is one of the most experienced MRO services providers in the world.
