

PRESS RELEASE

Certified Aviation Services Gears up for MRO Latin America

Ontario, CA February 5th, 2018 – Certified Aviation Services, LLC (CAS) is pleased to announce it will be attending MRO Latin America. This is CAS' first time attending a conference in Latin America. The Conference will be held February 14th - 15th at the Westin Playa Bonita in Panama City, Panama. Focused primarily on commercial aviation maintenance, repair and overhaul (MRO), the event is expected to be the third largest market for deliveries. CAS is thrilled to explore and expand its service reach to Latin American carriers.

“We are really looking forward to meeting with our friends and customers in such a business friendly environment. Although this is our first time attending MRO Latin America, as our customer base grows in the region, we will plan on making this a yearly event” says Michael Stafford, President of Line Maintenance.

If you plan on attending MRO Latin America be sure to reach out and meet the CAS team. We look forward to seeing you in Panama. To set up an appointment please email: sales@certifiedaviation.com

About Certified Aviation Services:

CAS (Certified Aviation Services) is a leading provider of MRO services for fleet operators around the world. Throughout our nationwide network, CAS offers a wide range of aircraft and component repair services that provide our customers innovative, cost-effective solutions when and where they need it. Backed by more than 200 world-class A&P mechanics and 25+ years of service, CAS is one of the most experienced MRO services providers in the world.
